To whom it may concern,

As Chair of Hawaii's largest native Hawaiian organization, the Sovereign Councils of the Hawaiian Homelands Assembly (SCHHA), I also, wish to give our organization's support to the Volcano House Project.

The SCHHA membership consist of 30 Hawaiian Homestead Associations, statewide. The 278 elected officers of said associations represent approximately 53 thousand native Hawaiians living on Hawaiian Homestead Lands and on the Wait list.

Please include the SCHHA's name as a supporting organization.

Mahalo,

Kamaki Kanahale

Chair, SCHHA
